The course evaluation questions that follow were chosen in collaboration between students and faculty. Be assured that no identifying information will accompany the reports.

Your responses will provide valuable feedback to both instructors and departments, and your candid appraisal is very much appreciated. As a stakeholder in the Columbia University community, completing these evaluations serves as an important service to both current and future students.

**Course Items**

* How did you experience the class this semester? Check off as many as apply:

  - In-person
  - Live online
  - Recorded

* What did you learn - in terms of knowledge, skills, or perspectives - in this course?

* What percentage of the work (including reading) assigned for this course did you complete on schedule?

  - All or almost all
  - Most
  - Some
  - This question is not applicable
What is your overall assessment of the course? What are its strengths? In what ways might it be improved? In answering this question, you might address the value of readings and assignments, the structure of the course (including the relationship of sections to lectures), the contribution of the course to your knowledge of the subject matter and to the development of your analytical and reasoning skills, etc. We encourage you to use specific examples where possible.

* What is your overall assessment of the course in the current modality?

* Would you recommend this course in its current modality to another student?

Please qualify your recommendations if you wish:
How does the workload in this course compare to Columbia courses with a similar structure (e.g. a lecture, seminar, laboratory, or language course)?

* The answer to this question will generally be available in Vergil.

<table>
